

Supporting the Mission of the Handmaids of the Precious Blood

Whereas Catholic Priests from across the world are being attacked by forces that wish to destroy our sacramental bonds with our Lord and Savior Jesus Christ, and

Whereas the Handmaids of the Precious Blood's mission is to pray unceasingly through adoration and veneration of the Eucharist for the sanctification of Christ's Priests;

Be it resolved that the members of the Knoxville DCCW will strive to aid the Handmaids in their work through prayer, spreading word of their mission and advocating for their ongoing material and financial support with all Catholic communities within our sphere of influence.

Adopted at the 2016 KDCCW convention
