

Directory Update  
09/16/2017

I want to express my gratitude for everyone's patience while updating the KDCCW Directory. With the exception of a very few listings, the 2017-2018 Directory is complete. Thanks to everyone for bearing with me, especially the Deanery Presidents for sending information, the Presidents of the Parishes sending information, and the Past-Presidents forwarding what updated information they have.

In the future, if your Parish has corrections/amendments, please email me: [mpkcoop@gmail.com](mailto:mpkcoop@gmail.com).
