

KDCCW LEADERSHIP COMMISSION REPORT

By: Cathy Hundley, Chair

I would like to introduce myself to you as your new KDCCW Leadership Commission Chair. My name is Cathy Hundley and I am a member of St. Therese Parish in Clinton, Tennessee. I have four grandchildren that I am raising and one grandchild that I have on the weekends. Needless to say we keep a very busy schedule. They are growing up so fast. The very first time I attended a KDCCW Convention Jane Carter was being installed as our new KDCCW President and Sally Jackson took me under her wing that weekend and showed me around. I have met so many wonderful people, full of love for their fellow women with warmth and friendship that have no bounds. You have all inspired me so very much to try to be a better person, and do my very best to live up to Our Mission "The National Council of Catholic Women acts through its members to support, empower, and educate all Catholic women in spirituality, leadership, and service. NCCW programs respond with Gospel values to the needs of the Church and society in the modern world."

It is a privilege for me to stand here as your KDCCW Leadership Chair.

I would like to emphasize our membership in NCCW, possibly working closely with Lynn Christ, our Membership Chair, to get a good roster of the ladies that are members and see how many we can get to join. Membership in NCCW can give us so much more information that is needed to be the best leaders we can be, not only for our Presidents, but for each lady in our Parish.

I would like to work with our Publicity Chair, Gisela Chaparro, in order to reach all the members of our Parishes and Diocese to help with the roster and let them know what they are missing by not being a member.

I would like to work with Susan Tribble and Debbie Donahoo, our Training Committee Chairs to possibly bring the LTD Training Team to our Diocese and help us with training new leaders. Susan and Debbie can help us in this area as well.

I want to open myself to hear what you need from me as your KDCCW Leadership Chair, and to be able to help achieve your goals and ours.

I have so many previous women that have given us a wealth of information. I need to take in as much of this information as possible and pass it on to every lady in our Diocese not only to improve our Diocese but to help improve our NCCW and our World and our Church.

God Bless
