

**CHATTANOOGA DEANERY**  
**PRESIDENT'S REPORT**  
**SPRING 2018**

Once again I report that the convention committee has been hard at work, and by the time you see this everything will be in place to present you with an extraordinary experience. Our convention chair, Arlene Webb, has done an outstanding job of pulling us all together and seeing to it that our plans come to fruition. I must also commend the other members of the committee for their hard work and dedication, often going far beyond what has been asked of them. I cannot thank them and Arlene enough. May the Lord richly bless each one of you here at the Convention. I'm sorry I can't be there with you but Bob and I have been in Rome with Monsignor Al Humbrecht, and will not be returning until April 15.

The Chattanooga Deanery held its Spring Day of Reflection in conjunction with Sr. Anna Marie McGuan's retreat presentation in Knoxville on February 24. It was so well received that we are going to have Sr. Anna Marie present at our Fall/Winter Day of Reflection, tentatively scheduled on Saturday, November 10, as a lead up to Advent.

The deanery board is planning a day retreat during the summer months and will be meeting on May 19 to work out all the details. Our plan is to make it a day for fellowship, sharing of experiences, and prayer with the beautiful women who attend.

As always, you are welcome to come to any of our events and we would be honored to have you.

God bless you during your time at this convention and may you take away a multitude of blessings from those who will present.

Julie Bomar  
President, Chattanooga Deanery
