

# 5 Rivers Deanery President's report

## Spring 2018

The Five Rivers Fall General Meeting was held at St. Patrick's in Morristown, on February 24, 2018

We had a guest speaker, Ms. Arlene Webb, our convention chairman of this year's convention at St. Stephen in Chattanooga. She did an excellent job at promoting the convention by sharing things about the speakers and the events that will be going on during the weekend. This was an attempt to get some ladies that would not go to convention to sign up. We signed up 16 women. We were very impressed with results. Arlene Webb was a great salesperson. We are promoting the convention in our parishes and hoping for more to sign up

We are also collecting Rosaries for Haiti.

This year we are encouraging all members to be a part of the NCCW. We have passed out membership forms and hoping that they turned them in.

Our affiliates are busy in their own parishes doing things that help with their communities.

Bernadette Moughamer has had to step down from service commission chair due to health reasons. We pray that she gets the help she needs to get better. We are looking for a service commission chair. I asked for the ladies to pray about it and get back with me.

Donna Dunn our treasurer reminded us of "Healing the Wounds" flyers. She encouraged us to place in our bathrooms at each parish.

As spring approaches we have lots going on in each of our affiliates. I encouraged all of us to get involved and support each other. I am hoping to have a good turnout from our deanery at the CCW Mass at the cathedral on April 26.

As a new deanery president, I was so impressed of the number of people we had at our meeting. We had 45. The largest crowd in some time, I was told. It was encouraging to see so many women involved in our CCW. I hope this will be our best year ever.

Respectfully submitted,  
Michelle Ronsse
