

KDCCW Winter Board Meeting

Jan. 6 January 2018

Training Committee Report

Tip # 1

From fall 2017, begin your new term with clean notebooks and files both for you and to pass on in the future. If you did not receive a note book, begin one.

Tip #2

Make sure prayer is a part of every meeting, committees as well as general. Hand out prayer cards, Holy cards from the current season, or even sing together. It is our faith that makes our meetings special. Don't miss an opportunity to reinforce that, it sets you apart from other organizations your members may belong to. Send your ladies home with something to read. Order booklets for Advent or Lent. Promote Catholic apps on your phones, such as Laudate. Many women are just discovering technology including daily devotions through web sites.

Tip #3

Get some "stuff" with your name on it. Every town has a print shop, or an office supply store. It can be as small as a magnet or a pen with your name on it, to an apron or a tote bag. Identify yourself and advertise your group and give your women a sense of "belonging." Don't forget to tap into offerings from the Diocese (pins) as well as NCCW to promote unity with the National level. Little things give people a sense of identity and belonging.
