

**Chattanooga Deanery Report  
September 2019 Board Meeting**

The Chattanooga Deanery Board has not had their meeting to start this year. We will be having that meeting in the coming weeks. However, at our meeting over the summer we have chosen several activities for this coming year:

1. Advent program in December
2. NCCW Anniversary Mass and Party welcoming all women of the Deanery.

Our goals for this year are to continue to increase our membership now that we have all parishes as members of the Chattanooga Council of Catholic Women. Our officers will be attending as many of the parish meetings as possible.

Working on the affiliate form this week for the National Council of Catholic Women.
