

Hello to all!

I hope you are surviving this hot weather and are getting ready to have your first meetings for this new year. I hope you all--affiliates, deaneries, and dioceses will consider the resolutions passed at the NCCW convention in Atlanta and develop action programs/projects to support the ideas expressed there. I think it would be a fine idea if we could develop a project/plan that we could all support as a province. I would be interested in hearing any ideas you might have about this thought. You need to know that I am personally very interested in the care of God's Creation so you will often hear me talk about this.

The NCCW is looking for volunteers to serve on the organization's many committees. If you are interested, please go to the NCCW web site and check the heading "Call for Volunteers". You must be a member of NCCW and use the form that is provided. Deadline for application is September 30th. We have had ladies from our province serving on these committees in the past so I hope you will consider applying. If you are not a member of NCCW I hope you will consider that idea, also.

Mary Catherine Willard has visited Archbishop Kurtz at Duke. He will have surgery in October and then will return to Louisville. He is not sure of the results of all of the treatments he has had, but the care he has received has been excellent. He is appreciative of all our prayers.

I wish you all well.

Pat Ryan, your Province Director
