

2020 KDCCW Convention Committee Sept. Report

The 2020 KDCCW Convention will be hosted by the Five Rivers Deanery on April 23-25, 2020. We have a diverse group of women on the committee from four affiliates that have been meeting monthly since May 2019. We started by brainstorming why women attend convention and shared what gifts we bring to the table to make the 2020 KDCCW Convention successful. Taking into consideration the women of the Diocese of Knoxville and the celebration of NCCW 100th anniversary, we look forward to working together on such a memorable, yet spiritual, event.

First let us introduce ourselves as the 2020 KDCCW Convention co-chairs. Our names are Kathy DeAngelis and Susan Collins. Kathy attends St. Patrick Church in Morristown and Susan attends Notre Dame Church in Greeneville. We have been friends for many years and rest assured that even if we are new to the KDCCW Board, we are not new to CCW in our respectful parishes. We have worked as a team on the organization of various activities such as our deanery Search for Christian Maturity Retreats, Diocesan Youth Conferences and Diocesan Ministries Day. We are very thankful to the women who have said "Yes" to assist in the various tasks of our convention. They are as follows:
