

## **CUMBERLAND MOUNTAIN DEANERY PRESIDENT'S REPORT**

**SEPTEMBER, 2020**

My, how things are different! However, we still continue to pray and carry out our mission.

Cumberland Mountain Deanery Board met on Tuesday, September 1 via Zoom. We had good participation and accomplished several things. The Deanery Project for the 2020-2021 year is the Adult Community Training Project. All affiliates will be supporting this project over the next year. We approved the Standing Rules as presented by the Committee. The 2020-2021 budget was presented by Donna Curry and will be approved at our General Meeting. We voted to make a donation to NCCW as a gift of sustainability since the convention had to be cancelled this year. Nikki Kapolka, Karen Miller, and Karen Meiring were elected to serve on the Nominating Committee for the 2021-2023 officers.

We are now working out details for our Fall General Meeting. It will be held on Tuesday, September 29 at 10:00. A Zoom meeting is being set up with the possibility of having a few members attend in person at St. Thomas the Apostle in Lenoir City.
