

Smoky Mountain Deanery CCW
Spring 2021

For the first time since March 2020, the Smoky Mountain Deanery met in person for their spring general meeting on May 1, 2021, at Our Lady of Fatima in Alcoa.

Six of the nine active affiliates were in attendance. The membership accepted the nominating committee's slate of officers and Michelle Peckham, Mary Cooper, Elisa Santina and Ilene Rainwater was elected for a second term.

Most of the affiliates have begun meeting, in person, with their membership.

In the next couple months most will be doing the Baby Bottle program to benefit Catholic Charities, having meetings and picnics, welcoming new parishioners and volunteering in the community such as the Hope Kitchen.

We ended the meeting with guest speaker, Lori Sliwa from Catholic Charities. She discussed the programs under the Catholic Charities umbrella.

The SMDCCW has been planning the 2021 KDCCW convention and is excited to welcome everyone to the Smoky Mountain Deanery in June.

Respectfully submitted,

Michelle Peckham
President, SMDCCW
