Announcements are used to inform website users of current items of interest, meeting times/locations, and upcoming special events. Announcements can have multiple attachments like documents or URLs.

If you are a director, commission chair, deanery president, appointed board member, or parish officer and would like to have an announcement posted on the website, please make sure that it is flagged as such in the subject of the email (i.e. **Website Announcement**), so that it is not easily overlooked. You may also email me directly if you have any questions about any issue you may have with something posted on the website or if you want to explain anything about your announcement. Any attachments to your email (such as a flyer or photo you send for your announcement will be converted to a non-editable format—such as PDF—which may be

viewed on any computer). You can link to my email address collinsj02@gmail.com by clicking on my name on the Directors page of the website (under Diocese Special Board Appointments). If you prefer to call and speak to me, you may reach me at 423-639-0688.

Reports of changes to Parish, Deanery, or Diocesan officers may also be sent to me so I can update the website. Again, I ask that you indicate this in your subject line by calling it a **Website Change** or **Website Update**.

You are my editor. I am not offended if you point out something that needs editing; in fact, I welcome your input. Thank you in advance for your help.

Respectfully submitted,
Judy Collins, Web Mistress
