

**Cumberland Mountain Deanery CCW
President's Report – January, 2022**

The CMDCCW held our Fall Board and General Meetings in person! Theo Copeland, our new Province Director, attended our general meeting at St. Therese in Clinton, TN, where we had about 40 in attendance. The women of St. Therese provided beautiful fall decorations and a delicious soup and salad luncheon.

At the general meeting we voted on our projects for the next 2 years – Crossroads Center of Hope and Sleep in Heavenly Peace. Crossroads Center of Hope provides single mother families with long-term transitional housing. Sleep in Heavenly Peace builds bedding for children without beds. We are so blessed to be able to help out these programs essential to the health and well-being of children in our area.

Fr. Richard Armstrong celebrated Mass and, following lunch, presented a program “Heavenly Banquet: The marriage between Jesus the Bridegroom and his Bride, the Church” about relationships – God to His church, our personal relationship with God and Jesus. The presentation is also available on YouTube.

Patty Johnson presented information about the KDCCW Food Packing Project and, at a subsequent executive board meeting, CMDCCW voted to donate \$1000 to that worthy project.

Blessings to all our sisters in Christ, hoping for a blessed new year!!

Donna M. Curry
