

Leadership Commission Report – January 15, 2022

The Resolution Committee has been working together to write resolutions to present at the Diocesan Convention. To keep with this year's theme, the Leadership Commission has proposed a resolution on mentoring. A preliminary proposal of the resolution follows:

Mentoring:

Purpose: To inform the Knoxville Diocesan Council of Catholic Women (KDCCW) and its members of the importance of mentoring and to offer mentoring ideas to implement with the KDCCW and its affiliates.

Whereas, mentoring builds trusting relationships between mentors and mentees, and strengthens the organization by helping it to thrive and grow.

Resolved: That the KDCCW will encourage its members to utilize mentoring within the KDCCW and its affiliates by publishing mentoring articles and ideas in the Diocesan Newsletter, *Dogwood Connect*.

I am also working on a list of mentoring ideas that can be shared with the KDCCW and its members. Members can bring these ideas back to their affiliates to help grow their councils and strengthen other organizations within their parish. To help with compiling this list, I'm asking anyone who has a mentoring idea to please call/text me at 423.277.6296 or email me at krdeangelis@yahoo.com. All ideas (big, small, formal, informal) are greatly appreciated. As I start gathering mentoring ideas, I would like to put small articles in the *Dogwood Connect* highlighting some of them.

Thank-you for any help with this project!

Kathy DeAngelis

Leadership Commission Chair
