

KDCCW Membership Report

Winter 2022

Karen Vacaliuc, Committee Chair

I continue to serve the KDCCW as the Membership Chair. Our KDCCW president, Susan Collins, is eager to increase membership to NCCW and I am glad to help in that process.

I reached out to many of our Diocesan ladies with lapsed memberships. I have heard back from a few that they have renewed their membership.

Regarding the Membership Drive, I have not heard anything from NCCW about our numbers yet. I will check in late March/early April, prior to our convention. As stated in the flyer, the top two affiliates/parishes that have the most NEW memberships will win a prize.

I received in the Fall a list of all the current and lapsed NCCW members from our Diocese. The list had a lot of errors and much of my time was taken up correcting those. I have been in touch with each parish president, to help me determine if some of the ladies who are lapsed: 1) are still living, 2) are still active in CCW, or 3) have moved away. I received back lots of info and have updated the list.

Spread the word about the great things NCCW is doing and the benefits of membership!!
