

KDCCW Directory Report September, 2022

The KDCCW Directory continues to be available through a Google Drive document. This allows for real-time corrections to be viewed by anyone who has the link. KDCCW switched to this format in 2019 to avoid sending the directory through several emails throughout the year.

To date, the Boards for each Deanery as well as the Diocese have been updated. Very few affiliates have updated information. If you are the President of one of the affiliates and have not updated the information, please contact Mary Cooper at mpkcoop@gmail.com . If you are in need of the link, please contact your Deanery President.

This concludes the report.

Mary Cooper
