

Leadership Commission Report – September 17, 2022

The focus of the Leadership Commission for 2021-2023 is mentoring and how to get more active and involved members. To gain input from our council members and to help with collecting mentoring ideas, a jar was placed at the Leadership Commission display at the KDCCW Convention in April. Several members contributed mentoring ideas. Thank-you to all who contributed!

On Monday, August 15th, I was privileged to speak at the CCW meeting held at St. Thomas the Apostle. My topic, of course, was on mentoring. The ladies were wonderful. They asked thoughtful questions and gave insightful feedback. I have been using this information to update my mentoring talk. During the 2023 KDCCW Convention, I will be sharing this updated talk during several breakout sessions.

I am still collecting ideas to add to my mentoring list that can be shared with the KDCCW and its members. To help with compiling this list, I am asking anyone who has a mentoring idea to please call/text me at (423) 277-6296 or email me at krdeangelis@yahoo.com. Thank-you to everyone who has already submitted their mentoring ideas. They are greatly appreciated.
