5-Step Action Plan To Remove Abortion Clinics from our Diocese

1. Create a Prayer Team – at least 3 people committed to daily prayer for the specific intentions outlined HERE* → → → → → → → →
2. Support your Local Pregnancy Center
Remember that abortion is a money-making industry. Strong, viable alternative centers can put abortion clinics out of business.
3. Physical Visitation Team/Personal Outreach
Connect with one or create your own. Set a regular time to physically visit the site for prayer and silent witness to the truth.
4. Communicate and Stay Connected – Inspire others! Send updates via CCW email and website.
5. Make it EVERYONE’S Brief DAILY Prayer:
“In your mercy, Lord, please close the (Name) abortion clinic.”

LET’S BE SPECIFIC TOGETHER!

***The 5 Prayer Intentions:**

1. For the **physical closing** of the (Name) abortion clinic
2. For the **conversion of the staff**
3. For the **conversion of those seeking abortions**
4. For the calling of pro-life staff and funding partners to establish a **pregnancy help center** in place of the abortion services facility.
5. For the **end of all abortions** in the diocese and worldwide.
