

Saint Philomena, Powerful with God,

Your courageous martyrdom gives me confidence in your love for the Church of which I am a member.

O Child of Wisdom, Imitation of Mary, Patroness of the Living Rosary, you know well the graces of which I stand in need.

Establish my soul in peace, protect me from danger, and permit me to enjoy your companionship in this life and in eternity. Be with me at every moment of my life and especially at the hour of my death.

Through the merits of Thy cruel martyrdom, assist me in my present circumstances.

O Patroness of the Council of Young Catholic Women, intercede for us!

Amen.
